

Sri Garbarakshambigai GHEE Prasadam

The Garbarakshambigai Temple is revered for its blessings for both conception and safe childbirth. The main deity Ambal here is called as 'Karukatha Nayagi' : Goddess who saved the foetus of her devotee). The energized GHEE prasadam is enriched by performing poojas at the feet of Goddess Garbarakshambigai every day.

How to use the mantra charged GHEE prasadam:

1. The ghee has to be consumed by both couples for a period of 48 days.
2. Mix 1 portion of the prasadam ghee with 500ml (16 oz) of store bought cow-ghee or any clarified butter. Usually to last 48 days for both couples, we recommend obtaining at least 2 ghee prasadam and mixing it with 500ml of ghee each.
3. Both partners should take 1 small spoon of ghee before going to bed for a stretch of 48 days
4. Skip the days you are on menstrual cycle (periods)
5. No restriction on diet or medicines that you can take along with this ghee

Mantra to chant while you pray for getting conceived:

- Recite this once everyday.
